## **BOOKING YOUR FLIGHTS! For student and for family:**

Please look carefully at all the "breaks" during the AH school year. Our advise is to book all your flights and places to stay on Kauai (if you choose to come before or after or during) at least 10 months to a year in advance. You will have a better chance on \$rates with Airbnb and VRBO, or hotels and vacation condos.

Also if you, the student, are returning back to the states during the breaks, book those flights in advance also, and please let the registrar know all the flights and booking dates.

In fact, let Kellie (registrar) know all your bookings (flights, stays on Kauai) regardless. This helps us plan ahead also.

Visiting Your Learner (this includes family that live on Kauai or outer islands):

We love it when parents/family get a chance to visit their adult children but please arrange your schedule so as not to pull them from class or the ministry commitments they may have.

Our typical schedule has free time each day from noon until 4pm with Sunday morning being reserved for worship and Monday being an entirely free day. Since all of our learners/interns will be involved in some kind of regular ministry outside of class hours, please work your visit time so that your child is able to fulfill their commitment to those who are relying on them.

Parents are also welcome to sit in on any of our lectures with our guest speakers/instructors at Anchor House. Or check us out at YouTube. Look up Anchor House Kauai and subscribe.

Unfortunately, we do not have the space ability to accommodate lodging for parents or friends of learners who wish to visit.

Your Christian Experience –
Please give a brief account of how you came to put your faith Jesus Christ
How has the Lord been working in your life recently?
What are your reasons for wishing to attend Bible School?
To what extent have you studied the Bible previously?
Please describe any Christian service in which you have been involved.
Please give the name and address of the church you attend.

#### **Conditions of Enrollment**

- 1. Students are expected to devote themselves unreservedly to their studies. (If you came for the scenery you came for the wrong reason)
- 2. Students are expected to conform willingly to the timetable throughout the day. Punctuality and cooperation are essential for the well being of the student body and for personal discipline. (In other words if you are late for a meal...tough luck!)
- 3. Students are required to pitch in with domestic chores and duties. Part of one day a week is set aside for practical duties in the building and the grounds. (We will even teach you how to clean a toilet!)
- 4. Students are responsible for the completion of any classroom assignments and taking notes during lectures.
- 5. Students are expected to maintain a clean, neat and moderate appearance and to refrain from getting tattoos while at the Anchor House. (We don't want your Mama yelling at us)
- 6. Students will live in shared housing with other students. (Sorry no princess housing)
- 7. The use of alcohol, tobacco or any kind of recreation drugs is not allowed.
- 8. Students must have health insurance as a condition of enrollment.

### **Enrollment Agreement**

I agree with the conditions of enrollment. I will accept the decisions of the Princip	al
in all matters pertaining to the course of studies and will submit to the disciplines	of
the Anchor House School of the Bible.
